

12/8/75

Dearest Dad;

Be strong! Enjoy your life as best as you can. You have worked hard all your life to help your family survive. You have done very well and you should be proud.

Now, you deserve a rest. So, please remain in good health for all your days. Take good care of Julia, keep in touch with my sister and brother-in-law, Aunt Ben and ~~Uncle Lou~~ Uncle Lou, and Hal and Susan.

Love
David
