Mr. Dunleavy  
c/o Post  
210 South St.,  
New York, N.Y. 10002

Dear Mr ~~Bob~~ Dunleavy,

Despite the fact that you  
are no good and that  
MR. Carpozi JR, has quoted me  
as saying many things which  
I did not say, I still  
need you as a messenger to  
reach the world. Please listen.

That letter to Breslin, I  
was forced to write. Breslin  
wanted to get up here so he  
needed a letter. I was  
almost forced to write it.

Why did I want to speak  
with Breslin? It was not  
because I like him.

I know that he is just

a greedy<sup>II</sup> reporter but I  
need a messenger to earth.

Listen, I'm pleading with  
you to understand the forces  
of darkness and evil.

Sam Can, is one of the  
devils of Satan. I cannot  
make myself any clearer.

That dog was not a dog  
but a demon from hell.  
I happen to love dogs.

Sam, is a force and person  
beyond the wildest imaginations  
of people. He is not human!

I have seen them, Can,  
(Cassara, Glasmen, as they  
really are.

III  
I have seen them as demons  
not as humans. Their  
humanity is only a front. They  
are here on earth to destroy it.

I have tried to tell the  
police (a letter). I have tried  
to tell the world (letter to  
Breslin). What more do you  
want? Why can't the earth  
make up?

I am doomed now.  
My fate has already been  
decided. There are other  
"sons" out there - God help the  
world. That is why in a  
sense I have given up in  
court because I am doomed,  
by fate only not because I'm tired  
or depressed.

IV

Please, I am writing quickly  
if a guard comes and finds  
me with a pen they'll kill me.

This is all a plot!  
They are just trying to  
make me like a cold blooded  
killer or a nut.

The victims, the survivors  
are crying for blood, my  
blood. They have blinded  
themselves to my message the  
world must understand.

I tried to destroy the  
demons by killing them!  
molitove cocktails - [REDACTED]

[REDACTED] - [REDACTED]  
bullets in the fire to kill him.

really are. II

I have seen them as  
demons not as humans.  
Their humanness is only  
a front. They are only  
here on earth to destroy.

I have tried to tell  
the police (a letter). I have  
tried to tell the world  
(letter to Brezhnev). What more  
do you want? Why can't  
the earth wake up?

I am doomed now, ~~but~~  
my fate has already been  
decided. ~~and~~ There are other  
"Sons" out there. - God  
help the world.

The people, <sup>IV</sup> you too, are trying  
to make me look like a  
cold blooded killer. This I  
can understand but that is  
what Sam wants. He doesn't  
want to be exposed. and now,  
everything is going his way.

YOU all fools.

Adolf Hitler was controlled by  
Sam's father - Saton.

 - I didn't like  
him. I only had a file on him.  
I had no admiration for him.  
But he was one of the  
"Sons". Didn't you see the  
other crimes in my father's?

I plead to the world to  
understand the forces of  
darkness and evil.

Sam Can is one of  
the devils of Saton.

I cannot make myself any  
clearer. That day (demon)  
was not a dog but a  
demon from hell. Everybody  
knows that dogs cannot  
talk.

Sam, is a force beyond  
the wildest imaginations of  
people. He is not human!

I have seen them, Can,  
[redacted], [redacted] as they

When I killed, I really saved many lives. You will understand later.

People want my blood but they don't want to listen to what I have to say.

I talked to the cops with ~~at~~ dignity and respect when I got caught. I'm no wise ~~ass~~ <sup>ass</sup> like [redacted] made me out to be. You're just making it worse for the world and better for Sam.

I need you know Dunleavy.  
I must be released from here.  
Put me in touch with Inspector Dowd, Detective ~~to~~ Jim Fox - he stayed with me - he knows about Sam. He will listen.  
DB

There were also Sam's diary.  
What about my folder on major  
disasters? Those were Sam's  
works. - The ~~to~~ train  
crash, the airplane crash,  
- earthquakes.

People are to eager to  
destroy me but I have a  
message they must listen.

I don't know why I'm writing  
you. I don't like you.  
Your paper wrote all those lies.  
They spread deciet against me  
with erroneous reports.

You guys broke into my house.  
~~I'm~~ I should really kill  
you but I need you.

I need a messenger.

Please, Please  
Listen to me FOR ONE
