This examination has been made with the understanding that the evidence is connected with an official investigation of a criminal matter and that the Laboratory report will be used for official purposes only, related to the investigation or a subsequent criminal prosecution. Authorization cannot be granted for the use of the Laboratory report in connection with a civil proceeding.

Director

Result of examination:

It was determined that Q1 and Q2 were prepared by the writer of the Samuel Carr and Sam Carr letters which have been designated Qc3 and Qc4 submitted by the Chief of Police, Yonkers, New York with letter dated 6/23/77.

The only available known handwriting of David R. Berkowitz consists of his signature. Q1 and Q2 are not sufficiently comparable in letters or letter combinations with the David R. Berkowitz signature for meaningful handwriting comparisons to be made. Therefore, it was not possible to determine whether Q1 and Q2 were or were not prepared by Berkowitz. If a future examination is requested efforts should be made to obtain dictated handwriting in the complete wording of Q1 and Q2 prepared by Berkowitz. Q1 and Q2 should not be shown to Berkowitz prior to obtaining the dictated handwritten specimens.

The submitted evidence has been photographed and is returned herewith.

The above report confirms and supplements the telephone call to Sheriff Thomas Delaney on 8/12/77.
