POLICE DEPARTMENT  
CITY OF NEW YORK

August 22, 1977

From: P.O. Alfonso Campagnola, Sh.# 23301 and P.O.  
Joseph Wendling, Sh.# 5655, D.A.O.S.K.

To: Deputy Inspector John Nevins, C.O., D.A.O.S.K.

Subject: STACY MOSKOWITZ HOMICIDE

On August 4, 1977, the undersigned officers conducted a canvass in the area of Bay 17th St., between Shore Parkway and Cropsey Ave., in connection with the above mentioned homicide.

At approximately 1500 hours, Mrs. [REDACTED] was interviewed at her place of residence, [REDACTED] St., apt. [REDACTED] Brooklyn, N.Y. Mrs. [REDACTED] stated that parking summonses had been served on the evening of the Moskowitz homicide. She was certain of this fact since she herself was issued a summons in the close proximity of the crime at the time of its commission.

Upon returning to the 10th Homicide Zone, at approximately 1745 hours, this information was discussed with Lt. McCarthy and Sgt. Gardella, in the presence of Deputy Chief Fitzpatrick.

The superior officers present indicated that this area of investigation had already been explored. Inquiries into the possible issuance of parking summonses, at the time and place of the homicide, had all met with negative results.

The undersigned officers volunteered to investigate this matter further after being advised that no compensation could be authorized for overtime.

At approximately 1820 hours the assigned officers returned to the residence of Mrs. [REDACTED] and obtained the following information:

Summons # - [REDACTED]  
Violation - Double Parking f/o [REDACTED] St.  
Date - 7/31/77  
Time - 0215 hours  
Reg. # - [REDACTED] Ford 2dr Green  
Issued by - P.O. Michael Cataneo Tax # [REDACTED]  
62 Pct., 20 Sqd.

Mrs. [REDACTED] further stated that other vehicles, in the vicinity of the homicide, were also ticketed on the night in question.

At approximately 1900 hours this information was given to Lt. Powers at the 10th Homicide Zone. The reporting officers stated that the perpetrator of the homicide may also have had a summons issued to his vehicle. It was also requested that issuing Police Officer Cataneo be interviewed, in the event that other summonses were served and the possibility that the perpetrator may have been observed by the R.M.P. team.

On the following day August 5, 1977, Sgt. Gardella was also advised of the above information.

The undersigned officers are firmly convinced that the information as originally reported to Lt. Powers and again to Sgt. Gardella had a direct bearing on initiating a complete and thorough search of summonses issued. It was the discovery of the now famous parking summons which ultimately resulted in the identification and apprehension of the perpetrator.
