September 20, 1977

On this date, the assigned was informed by Capt. Edward Jones, Commanding Officer of the Detective Division that he had heard a Channel 7 News Release that one Craig Glassman of 35 Pine Street, had received a threatening letter from David Berkowitz and was turning it over to the Police Department.

It is to be noted that this department has not received any notification from Craig Glassman relative to the threatening letter mentioned on tonight's newscast.

The assigned called the Westchester County Sheriff's Office and spoke with Sal DiOrio, Senior Investigator with the Sberiff's Department who related that his department had been notified by Glassman of the threatening letter but did not know its contents. Same of which will be turned over to their department and investigated by them.

My Superior: Craig Glassmon

Sergeant Glassmon,

I know how successful you have been with your assignment, forcing me out into the street for Mr. Carr, however, the dead are crying in their graves for justice and God has promised it to them.

I myself realize that I am beyond hope and redemption because I have succumbed to the powers of your commander, Mister Carr. I obey all my orders as you well know, and I will carry them out dutifully. But we must face the fact that our deaths will come one day. Then there shall be the Judgement! Since you are a fallen angel and have been condemned to the eternal fire before the earth was created, still, God will be more merciful to you if you rebel against General Cosmos and his horde of demons.

There is at this time little for you to gain by loyal service. I believe the end of the "Reign of Terror" is near and the authorities will be dealing with you in their own way.

I guess I'm foolish to plead with you to surrender and turn to God because I know that your soul is evil and that you have no heart. Therefore, you will have to spend eternity in the lowest depths of Hell. Don't fear because Captain Carr and his family, and me will be at your side.

You have done well in your 6,000 plus years of service. You have taken over my soul despite my early resistance and my denials and protests. Go ahead if you must and continue to torture the people of earth. Don't stop issuing Captain Carr's wrath upon the world at my pleas. Just go ahead you cruel monster and continue your torments. You will stand naked at the judgement seat of Christ.
