Major Hubbard,

I hope you can assist me with some research I have been conducting.

I have become very interested in one of the country's most notorious serial murder cases – the David Berkowitz “Son of Sam” case. Of particular interest to me is the criminal investigation relating to the murder of John C. Carr (DOB: 10/12/1946), a homicide that occurred in your jurisdiction (Minot Air Force Base) on or about 02/17/1978. Mr. Carr was a Yonkers, NY resident, who was known to be a member of a satanic cult group, and a neighbor and friend of David Berkowitz. I am requesting copies of any information (investigation or autopsy reports, documents, crime scene photos) relating to the past criminal investigation of Mr. Carr, his associates (including David Berkowitz), and satanic/occult groups possibly relating to the “Son of Sam” murders.

If you are not the person who can assist me with this request, I would appreciate it if you please let me know where I could direct this request to within the Ward County Sheriff's Office.

Thank you very much for your assistance and cooperation.

Mr. [REDACTED]

To my knowledge the investigation that you are referring to was a death investigation deemed to be a suicide. I have no information indicating that it was ever considered or ruled a homicide. Regardless, our department does not have any documents or information that relate to this case. In recent months we have received other requests since the release of the show and we have looked through all of our old cases to confirm. We suspect that the records were destroyed sometime in the late 1980's or early 1990's in accordance with records destruction procedures. I will maintain this email request in the event we locate any information concerning this case.
