(friend of the decased). She also indicated that she was aware of this affair and the action that the deceased had taken when the first letter was found by the deceased. It was apparent to Ms. that the deceased wanted to sever this relation and wanted to reveal it to Ms. shusband to do so. As far as Ms. was concerned the situation was over.

On 3-3-77, the officers interviewed of Mrs. indicated that she is a close friend of Ms. and is frequently in touch with her. Ms. had told her that the affair was resolved even though she is still in love with Mr. Diel. Ms. also says that her husband was told by her about her feelings for John, but his attitude was of forgiveness. Mrs. says that neither Ms. or her husband has been back to this country since they had left in September of 1976.

A check with the Dept. of Immigration and Naturalization, U.S. Govt., by Sgt. Coffey was made, and according to Mr. Kersaules, an agent of that department indicated that there is no record of either Mr. or Mrs. that had entered this country since September of 1976.
