POLICE DEPARTMENT
CITY OF NEW YORK

January 30, 1977

From: Duty Captain, Zone 2-3, Queens Area
To: Chief of Field Services
Subject: HOMICIDE IN 112th PRECINCT

1. At about 0020 hours this date on Burns St., approximately 150' east of 71st Ave., Christine Freund, F/N/26, [REDACTED], was shot twice, apparently by a handgun by an unknown assailant while sitting in a parked car at location. Her companion, John Diel, M/N/30, [REDACTED], was uninjured, and summoned assistance. Victim expired of her wounds at 0430 hours this date at St. John's Hospital. Up to time of this report, investigation has been without success in determining motive and identity of perpetrator.

2. Undersigned, performing night duty, responded to scene and ascertained following facts: first police unit on scene was RMP 2635, Opr. P.O. Lagno #16969, Rec. P.O. Schick #13245, both 112th Pct., assigned 112th Sec. A-B, 1st Pla., who responded to a radio signal 10-10, shots fired, at 0025 hours, the result of a 911 call by a female resident of area, identity known to this Department, at 0023 hours. Sgt. Ronca #1148, 112th Pct., on patrol with 1st Pla., responded at same time and directed removal of victim to hospital by Sec. A-B. Scene was safeguarded and S.H. apprised of incident. A temporary headquarters was established at 1 Station Square at 0045 hours. A canvass of area was made by 112th Pct. Anti-Crime personnel under command of Sgt. O'Neil #1565, 112th Pct., and several witnesses were located, but no eyewitnesses other than Mr. Diel. Interrogation of these persons by Homicide Squad and Night Watch detectives revealed only that victim and companion had attended a film at the Forest Hills Theatre nearby earlier in the evening and had then spent an hour at a restaurant at [REDACTED]. It was established that they had left restaurant approximately five minutes before shooting, which occurred as Mr. Diel was about to start car from curb at which he had parked before attending theatre. While doing so he heard two shots and found that victim had been hit in head and shoulder while sitting beside him. Shots came from right hand, or north side of auto from the approximate direction of Long Island Railroad station immediately adjacent, or from embankment of same. Leaving auto, he sought assistance from passersby in the lightly frequented area, two of whom immediately proceeded to 112th Pct. S.H. three blocks distant, to secure same. Mr. Diel returned to auto and was encountered by responding police as he was driving in search of medical assistance for companion.

(1)

3. Search of area by P.O. Judd, E.S.S. 9, under supervision of Sgt. Ronca, disclosed no other personal injury or property damage resulting from this incident. Inspection of auto by Forensic Sec. P.O. LaRosa #5026 resulted in discovery of a third spent slug, possible .38 cal., lodged in dashboard of auto on driver's side. Hospital X-ray revealed two other slugs in head and right shoulder of victim. No other physical evidence recovered other than effects of victim.

4. Victim admitted to hospital by Dr. Manimtin. Parents, with whom she resided, present and notified.

5. Following responded to scene:

Capt. Borrelli, Qns. Homicide Office
Det. Hopkins, 15th Homicide Zone
Det. Furiati, 112th P.I.U.
Sgt. McHugh, 108th P.I.U., on night watch

Complaint Report #1360
Aided #184
Voucher #172867 (victim's clothing)

Voucher #VB68 (auto)

7. Following notified:

P.O. Normandeau, Queens Area

HOMICIDE - CHRISTINE FREUND
SUBJECT - INFO. RE LOVE LETTER AND AFFAIR OF JOHN DIEL

On 2-2-77, the assigned together with Sgt. Coffey received permission from the deceased's parents to look through her room for any evidence that may be helpful in this investigation. Among the items removed was a love letter sent by [redacted] of [redacted] to John Diel. A photo-copy letter and a photograph of John Diel and Ms. [redacted] which was sent by the deceased to Ms. [redacted] was also discovered. Another letter removed was a response to the first letter by Ms. [redacted] to the deceased. The contents of these letters reveals the deceased's discovery of a love affair between Ms. [redacted] and John Diel and the deceased's desire to expose this affair to Ms. [redacted]'s husband.

On 2-9-77, the officers interviewed [redacted] of [redacted], N.Y.C. (deceased's employer at [redacted]), as a result of Mr. [redacted] call to this office of information that he had relative to the deceased. Mr. [redacted] says that he was aware of the above information because he was apprised by the deceased in October of 1976. It was his opinion that the letter was received by Ms. [redacted] without any knowledge by her husband and apparently the situation was resolved.

On 2-10-77, the assigned spoke to Mrs. [redacted] of [redacted]. She says that the deceased had told her of the above information and to her knowledge the situation was resolved.

..... On 2-15-77, the officers interviewed [REDACTED] of [REDACTED] [REDACTED] (friend of the deceased). She also indicated that she was aware of this affair and the action that the deceased had taken when the first letter was found by the deceased. It was apparent to Ms. [REDACTED] that the deceased wanted to sever this relation and wanted to reveal it to Ms. [REDACTED]'s husband to do so. As far as Ms. [REDACTED] was concerned the situation was over.

On 3-2-77, John Diel was the subject of a polygraph test conducted at the Police Academy by Det. Fred Sanchez. The test encompassed the crime as well as Mr. Diel's affair with Ms. [REDACTED]. It is the opinion of Det. Sanchez that this subject was truthful and non-evasive in his answers. The assigned then questioned Mr. Diel regarding the love affair and he says that the ~~situa~~ situation was resolved a short while later after the letter to him from Ms. [REDACTED] was discovered by the deceased.

On 3-3-77, the officers interviewed [REDACTED] of [REDACTED] [REDACTED] Mrs. [REDACTED] indicated that she is a close friend of Ms. [REDACTED] and is frequently in touch with her. Ms. [REDACTED] had told her that the affair was resolved even though she is still in love with Mr. Diel. Ms. [REDACTED] also says that her husband was told by her about her feelings for John, but his attitude was of forgiveness. Mrs. [REDACTED] says that neither Ms. [REDACTED] or her husband has been back to this country since they had left in September of 1976.

A check with the Dept. of Immigration and Naturalization, U.S. Govt., by Sgt. Coffey was made, and according to Mr. Kersaules, an agent of that department indicated that there is no record of either Mr. or Mrs. [REDACTED] that had entered this country since September of 1976.

HOMICIDE - CHRISTINE FREUND

SUBJECT - Interview- [REDACTED]

On 1-30-77, at approx. 0130 hrs., the undersigned arrived at the scene at Burns St. & 71 Ave. and interviewed the above subject. [REDACTED] states that on the evening of 1-29-77, he had picked up [REDACTED] at her residence. They proceeded to the movies on Continental Ave. to see the show "Rocky". When they arrived there was a long line waiting to get in, so [REDACTED] left the car to get on line while [REDACTED] went to find a parking spot. After riding around for a few minutes, he parked his auto in front of 1 Station Square and walked to the movies. When he arrived [REDACTED] had already had the tickets and was waiting in the lobby. They then went in and saw the picture to the end. After the show they walked to the [REDACTED] Gallery on Austin St., they had some cheese and a couple of drinks and remained therein for approx. one hour. At about 0005 to 0010 they left and walked along Austin St. towards 71 Ave., made a right turn and midway down the street crossed over to the other side. While crossing [REDACTED] observed a hitchhiker who [REDACTED] describes as M-W-20s, dark hair, 5'7", medium build with a mustache. He was wearing a short jacket with dungarees and carrying a bag (possibly his clothes wrapped together). [REDACTED] also says that he had observed a F-W-18 to 20, slim build, short hair with a maroon jacket walk past them on the other side of the street. Neither of these individuals appeared suspicious at that time. [REDACTED] and [REDACTED] continued walking on 71 Ave. and made a left turn.

Subject: ANONYMOUS TELEPHONE CALL RECEIVED AT 10:45 HOURS, FEBRUARY 1st, ALLEGING THAT PERPETRATOR WAS RIDING IN A AMC MATADOR, PENNA. REGISTRATION [REDACTED]

1. On February 1, 1977, this command received an anonymous telephone call from a woman alleging that Christine Fruen was shot by from a car with two males, possibly three. He got the plate: [REDACTED] Penna. a green AMC Matador.

2. Pennsylvania Motor Vehicle Bureau checked and disclosed that the car, as described above, was registered to [REDACTED]. A discreet investigation was conducted by the Pittsburgh Police Department at our request and disclosed that he is employed by the Westinghouse Corporation in its Marketing Support Division. He is not the registered owner of a gun nor does he have a criminal record.

3. On a follow-up investigation, I requested that the Pittsburgh P.D. (Detectives H. WATSON and W. HENNIGAN) directly approach [REDACTED]. He was subsequently interviewed by Detective Hennigan and said that he had not visited New York City by car in over six months. On Oct. 8, 1977 he flew into Kennedy Airport and planned out immediately to India where he was married on October 23, 1976. He returned home to Pittsburgh on November 7th and was joined by his wife on January 23, 1977. He has been in Pittsburgh since that time. His auto mileage was checked and disclosed that his car was inspected on Dec. 16th at 36,911 miles and registered 38135 on Feb. 23rd a difference of 1224 miles. The distance from Pittsburgh to N.Y. is about 375 miles. Over

4. On February 27, 1977, I interviewed [redacted] by telephone. He said that he has friends in New York City, possibly in Queens but has no idea who would have called the police. He definitely has not had his auto in New York City in over six months and he is sure that he was home on the night of January 29th because it was only a week after his bride arrived from India. [redacted] was unable to explain any reason for the phone call to the police.

5. In the original telephone call the woman alluded to the fact that the shots were fired from an automobile. This is in conflict with the witness [redacted] who states that the shots were fired from the sidewalk. His statement is borne out by the trajectory of the bullet lodged in the dash board.

6. Information is untrue---case active.

HOMICIDE - CHRISTINE KREMER

SUBJECT - Interview - [REDACTED]

On 2/22/77, at 1800 hrs., the assigned together with Sgt. Coffey, interviewed the above subject at his girlfriend's apartment [REDACTED]

[REDACTED] was questioned relative to his appearance at the funeral home the night prior to the deceased's funeral. He says that he made inquiries as to insurance benefits the deceased had, because he felt that he could help facilitate matters for the family. Although he is employed at [REDACTED] in the commodities exchange, he felt that he knew enough about insurance policies to be of assistance. (He says that he is a licensed broker). The fact that the deceased had worked for the same company prompted him even more. He says he had contact with her via telephone on numerous occasions because of business dealings and on only one occasion he made a pitch for her, which she rejected.

On the night of the crime, [REDACTED] says that he was at his girlfriend's apartment watching "Roots". The following morning he went to the basement laundry and washed some clothing.

Subject Info: Says that he has been rejected from the Armed Forces because of psychiatric problems (classified as 1P). He also had counseling during his past marriage. (Presently divorced).

SUBJECT: VISIT TO BOB'S DINER, MYRTLE AND COOPER AVENUES

On Monday, 2/14/77, at about 04:00 hours, while performing Night Watch tour (0001-0800), I visited Bob's Diner, Myrtle and Cooper Avenues with Det. Stanley Carpenter, Queens Sex Squad. This was in response to two previous telephone calls from a female that between the hours of 04:00 and 04:15, on the two previous Sundays, a strange male, fitting the description of one of the composites in this case, had patronized the diner. We spent about 45 minutes there, negative results. We also cruised the area without results.

INVESTIGATION: HOMICIDE OF CHRISTINE FREUND

SUBJECT: CANVASS OF FOREST HILLS INN

On this date, Det. Hudson and I canvassed apartments at the Forest Hills Inn, with the following results:

stated that she had gone to bed (her bedroom window faces the square) and within moments she heard a man screaming. She did not hear any shots. She got up and looked out of her window and saw a car in the middle of the intersection and a man standing alongside shouting, "They shot her." She also observed two men standing on the far corner (northeast corner). She did not get the impression they were together. One was heavy-set, wearing a dark parka, maybe green, the other she couldn't describe. They did not come to the assistance of the man who was screaming. She lost track of these men when the police started arriving.

heard three pops which he attributed to the normal noise coming from the Steak & Brew (he did not realize that the restaurant was closed). Then he heard screaming and he went to the window, but it was frosted and he did not see out. Then he went to bed.

HOMICIDE SUBJECT CHRISTINE FREUND CANVASS AND INTERVIEWS AT FOREST HILLS SQUARE, 1 STATION PLAZA

XXXXX, was watching TV, after midnight heard 3 shots, went to bedroom window and looked out, saw a man with a beard then heard him yelling "Somebody help me". He then disappeared, then I saw him talking somebody in a big light colored car, the driver of the car got out of the car, then apparently the guys wife yelled to him and told him to get back in car, then he got back into car and left. The guy with the beard then got back into his car and drove to the intersection and got out and ran over to another car that was stopped for a light. Then I called the desk downstairs, they said that they already called the Police. After the first car left and the guy with the beard pulled out of parking space he stopped car and yelled to somebody going into hotel "I need help, somebody is shot".

INVESTIGATION: HOMICIDE OF CHRISTINE FREUND

SUBJECT: VISIT TO BOB'S DINER, MYRTLE AND COOPER AVENUES

On Monday, 2/14/77, at about 04:00 hours, while performing Night Watch tour (0001-0800), I visited Bob's Diner, Myrtle and Cooper Avenues with Det. Stanley Carpenter, Queens Sex Squad. This was in response to two previous telephone calls from a female that between the hours of 04:00 and 04:15, on the two previous Sundays, a strange male, fitting the description of one of the composites in this case, had patronized the diner. We spent about 45 minutes there, negative results. We also cruised the area without results.

INVESTIGATION: HOMICIDE OF CHRISTINE FREUND

SUBJECT: CANVASS OF FOREST HILLS INN

On this date, Det. Hudson and I canvassed apartments at the Forest Hills Inn, with the following results:

stated that she had gone to bed (her bedroom window faces the square) and within moments she heard a man screaming. She did not hear any shots. She got up and looked out of her window and saw a car in the middle of the intersection and a man standing alongside shouting, "They shot her." She also observed two men standing on the far corner (northeast corner). She did not get the impression they were together. One was heavy-set, wearing a dark parka, maybe green, the other she couldn't describe. They did not come to the assistance of the man who was screaming. She lost track of these men when the police started arriving.

heard three pops which he attributed to the normal noise coming from the Steak & Brew (he did not realize that the restaurant was closed). Then he heard screaming and he went to the window, but it was frosted and he did not see out. Then he went to bed.

HOMICIDE SUBJECT CHRISTINE FREUND CANVASS AND INTERVIEWS AT FOREST HILLS SQUARE, 1 STATION PLAZA

~~XXXXX~~, was watching TV, after midnight heard 3 shots, went to bedroom window and looked out, saw a man with a beard then heard him yelling "Somebody help me". He then disappeared, then I saw him talking somebody in a big light colored car, the driver of the ~~guy~~ car got out of the car, then apparently the guys wife yelled to him and told him to get back in car, then he got back into car and left. The guy with the beard then got back into his car and drove to the intersection and got out and ran over to another car that was stopped for a light. Then I called the desk downstairs, they said that they already called the Police. After the first car left and the guy with the beard pulled out of parking space he stopped car and yelled to somebody going into hotel "I need help, somebody is shot".

Subject: INTERVIEWS AT WINE GALLERY 70-20 AUSTIN ST. FOREST HILLS
TELEPHONE # [REDACTED]

On this date the undersigned and Det. Mongelli interviewed the below listed subjects at the Wine Gallery, 70-20 Austin St. Forest Hills.

[REDACTED] She states that she was working Sat. evening and doing a 7PM x 0400 as the Hostess. She remembers the couple involved in this case entering a little after 11PM, they waited about 10 minutes and were seated at table # 22 (in the new room). [REDACTED] was the waiter. The only thing that she can remember was that she does not believe that the name used was [REDACTED], she believes that the male used the name [REDACTED] or [REDACTED] but she is not sure of the name. She does not remember when they left or if anyone followed them. Nothing unusual happened on this night in their area.

[REDACTED] Bartender, he states that he was working a 1630 x 0400, and he thinks that he remembers a male with a beard but does not remember the female at all. He states that he was very busy and working the bar alone. He definitely states that he does not remember them leaving and he also states that no odd balls were hanging around that night.

[REDACTED] States that she was working 6PM x 0200, in the new room with [REDACTED] but that she does not remember the couple. It was very busy, and very crowded.
