In the course of our business, we receive payments from our clients, both cash and check in large amounts. We also require much expensive and easily transportable photographic equipment and props.

Wheat Michaline Carr, as my administrative assistant and bookkeeper is often responsible not only for the receipt of these monies, but also for transporting them to the bank.

Since I am often out of the city on location, she is often the only person on the premises and solely responsible for these premises. We would, therefore appreciate your approval amending her current Pistol Permit No. 38090 from Target & Hunting Only to include Current Employment.

Thank you for your kind assistance in this matter.

Very Truly Yours,

Michael Vail Carr III
