

Sept. 20, '96 visit

---On the twisted sisters (to MT). Motel, Yonkers Ave. DB said they did work for a black pimp in the Bronx. He's almost sure the sisters were also at Ace's place once or twice when he was. He said the Pape/Schaefer sisters (as well as the Dowds) could be them.

---He did confirm the sisters' existence to Ripdog when MT joked it was DB who gave them the name the "Twisted Sisters."

---Possible suspect Ken Samelson (eliminated him to MT. Told MT he didn't know him.)

---On Moskowitz to Ripdog: arrived w/someone; left alone; picked up someone after that. (Barry???)

---Norman: crowbar. Norman, some electronics business, maybe car radios. Said Norman and Pete "always together."

---Mike C. may have been at JPD's, too. (To MT).

---Spychala, confirmed for Ripdog. Maps, planning, didn't know he'd been in the Navy. ("Ron from Connecticut").

---When Ripdog said "turtlenecks," DB answered "Process."

---Spoke to Ripdog of hearing about bodies in park. Northern part, remote part. Spoken about during some rituals. "Nobody ever pointed out an exact spot to me," DB said. Said ACE may have heard of this in '76, also. Said Ace on Warburton, first floor, hanging out the window. "Hey, what's happening, Come on inside, etc." Described house, just south of Carrs, other side of street, etc.

---Confirmed Ace brought kids to park in his era. Said he thought they were local area, but didn't know. Not from Graham, however.

---Confirmed snuff/Moskowitz/Sisman, etc. to Ripdog. Said other films, not of SOS. Said he saw one. Sisman, orgies, parties, didn't know him well. Think he said 3 copies of Stacy flick. Couldn't recall how he met him; probably Michael. Confirmed Judy. Confirmed Mickey: "no doubt. 100 percent sure."

---confirmed DeVinko and Cummaro there to Ripdog.

---confirmed to Ripdog that DB and MT speculated that DeVinko may have copy of Moskowitz snuff film.

---Told MT he didn't know Joquin's last name, but effectively confirmed he'd been with him a few bars, perhaps in Dobbs Ferry, too (from Joquin statement to Stevens/Pearlman.)

---told Ripdog some planning done in Untermyer, that they

sometimes "left from Untermyer" on SOS missions. Also said "some planning behind Carr house (garage or shed there).

---Stated in presence of Ripdog that Billy Cohen was in the National Guard, but he didn't know which unit. (Which confirmed Cohen to Ripdog).

---Spoke of "torture " interview sessions with MT, and said "he did his Perry Mason before you came in today."

---spoke hilarious line about ticket at Mosko: "And I PAID that ticket, too." Context: Ripdog mentioned another ticket; DB took it to mean Mosko, as did MT. MT said: "He's the only one that got a ticket out there." Ripdog: "if you didn't pay it, Giuliani would be up here for the money." DB: "He probably would be."

---Didn't know the name of John Mamannos (Amboy St., SI). Tied to Crispo, etc. on snuff films. ✓

---Confirmed Gajdusek, Gajdusek and Ace, etc. Said he thought Gajdusek did go to Untermyer. Confirmed house on Palmer.

---Told MT Wheat did have possession of a .44 for a time, but he didn't know the origin of the gun.

---When Ripdog asked about a return visit, DB cracked about MT: "leave him home." DB then said about another visit in 2 weeks: "I'll talk to Maury and he'll let you know."

---Told MT he knew where Rudolph Terrace was, knew the area, but didn't know the house in question. Said it was probably before or after his time, but said "it sounds like them. That's just what they were into."

---Told MT that Chuck Hess (Ace tape, etc.) was "a maybe, by a strange nickname." (Something like Daffy Duck).
