Feb. 29, 1996

Dear Maury:

Please find the reports enclosed that I promised you. There is a great deal more involved in this matter. I believe there are certain "players" who fit the bill as being sadistic enough to partake in the disappearance of the young boys.

ACE had a specific crowd he stayed with on 42nd Street back then. There is a guy who had a flock of young boys who gave him special attention upon entering one of the bars:

Jimmy Weeks. Another such guy was Steve London. He was an escapee from a mental institution. How about Ed McCarthy?

That name may be of importance in that two(2) boys who werewith him in 1972 were not mentioned agian as being available to the hawks. He's the guy who travelled to Connecticut to a farm.

Maury, I have thought about our conversations over the past week or so and have become more and more comfortable with what you have said to me. There is no need for any formal written agreement between us. We have a mutual goal in this stuff: where are the missing boys and who is to blame? If you would, just your initials will suffice.

I'll write about the past history of the "chickenhawks" then you can follow up with the later, more current years as we agreed.

I will cooperate to the fullest in your current quest to find the missing boys-I mean that. I do have severe financial restrictions which we spoke about.

Your offer to help get my writings seen by the right people has really given me the incentive and energy to get busy writing again.

Please find enclosed the article that I wrote which appeared in the New York Times Nov. 10, 1977: Op/Ed section.

Following are the names and pertinent data on those people who you said may be in your files or otherwise attainable by you. These are but a few, although the main ones, involved in the bombing of my apartment( 2 M-80's encased in a jar which is the equivalent of 1/2 stick of dynamite).

Some of these people were members of the United Freedom Front aka the North American Gay Strike Force Against Public Oppression. I have a F.O.I.A. request in to the F.B.I. but have been told in letter form that in may take as long as two(2) years for

the request to be fulfilled.

1. REIFF, Alex L. dob 5-23-47 NYSIS 1192080 aka NEILSON, John Thomas
2. BLASICH, Harry dob 11-25-41 FBI 0764878J aka CARNEY, Harry aka Richard C. Williams
3. BLASICH, Gerald dob 11-6-63 NYSIS 5283612 aka CARNEY, Gerald
4. TROTT or TROTTS, Richard info to follow if cannot locate w/o dob etc. Was arrested with Blasich in JFK Airport 4-18-85 and 4-26-85 for Homicide in Nassau County.
5. BAER, Donald J. dob 6-9-44 s/s#076-36-5314 NYSIS 0946094 aka BAER, Harold -- PHILIPS, Harold or Donald J.
6. GROSS, Paul L. dob 1-15-56 NYSIS 3581263 FBI 973300 K6 or 9733006 K
7. MARINO, Joseph dob 9-7-50 NYSIS 1308405 DOA Homicide "hit" by Jerry Pappa on 11-4-78 Marino: assoc. of major narcotics violators back then: Ed Lino, Charles Alaimo, Consalvo etc.  
Marino asoc of above people; numbers 1 thru 6 arrested together, grew up together etc.

These people have a relevancy to the overall situation regarding the missing boys in that the bombing preceeded the termination of the case. I was told the guys who did the bombing were low-level neighborhood pushers who got the wrong apartment: not after me. It was easy for me to establish that they were big time narco, stick up and killing people. That should have been obvious to the leaders, bosses at the time unless they just wanted the investigation to go away. That scenario will be discussed more in depth when I get down to the serious writing.

Any help you can give will be appreciated deeply.

Good luck with initiating the investigation with your town leaders. I will be glad to appear before them. Especially when it comes time to talk with ACE.

Thanks a bunch,

R.J. Johnson
