Meeting between MPT and Dean Kuipers (Spin Mag reporter)

Re: Ronald Sisman/Elizabeth Platzman double homicide

The Sisman/Platzman killings were detailed in The Ultimate Evil, which was read by Kuipers, which resulted in his contacting MPT. Sisman, a coke dealer, photographer, pornographer, etc. was a pal of Roy Radin and the "personal photog" of Melonie Haller, the actress who was involved in the sex assault/video episode at Radin's Southampton mansion in April, 1980.

Sisman and Platzman, 20, a resident of Rosyln, LI and a student at Smith College in Massachusetts, were blown away execution-style in Sisman's Chelsea brownstone on Halloween 1981. MPT prison sources at the time had, in advance, and in writing, predicted a Halloween hit in either "the Village" or Brooklyn Heights. The hit was to be an "inside, housecleaning" job with gunshots to the head and likely both male and female victims. In a coded section of a prison letter sent before the hit, Sisman was named (not as the intended victim, but named anyway.)

Shortly afterwards, the prison sources wrote that the killings were done because Sisman, fearing a coke bust for dealing, etc., had planned to turn over a snuff tape of the Stacy Moskowitz (Son of Sam) murder to Queens DA Santucci in exchange for a free ticket out. According to the sources, word of Sisman's idea reach certain interested parties and he was taken out and the film (or films) retr! Sisman was allegedly the actual photog of the Moskowitz hit, and the film was alleged to have been made for Radin.

Enter Kuipers. Kuipers was contacted by a Pederal prisoner named Jesse Turne who had read some articles with Kuipers byline in Spin. Turner states he was involved in arranging the Sisman/Platzman killings----and he states also that the motive was snuff films. Turner, in other words, is saying the same thing that MPT's prison sources said back in '81. Turner says he hasn't read The l'Itimate Evil, and it appears that is true, since he is not simply parroting info from the book.

Turner is doing Federal time in Lewisburg, Pa. on bank robbery charges from a case/cases in NYC in the spring of '81. He was arrested on 5/22/81 in NYC. He had a prior record, also.

Turner is a NYC "street guy", lived around the Village, was probably a male pros for a time, and met/hung out with the Andy Warhol crowd in the 70s. A favorite haunt was Max's Kansas City. His AKAs include Michael Jesse and Patrick Sullivan. His DOB is 9/25/54.

In 1974, Turner allegedly killed one Bill Maynard (tn Shapiro) in the Chelsea Hotel in Manhattan. The case was unsolved. In 1984, Turner was in Federal prison in the Midwest, and wanted to get back to NY, so he claimed it was he who did in Maynard. He was brought back to NYC, confessed, but recanted his confession and the charges were dropped due to lack of evidence and prosecutorial delays. Turner was then shipped to Pa.

Turner's story: In the late Spring (roughly) of '81, although he was in jail, he had contact with a well-known artist (whose initials are R.M.). R.M. says Sissan

has snuff films and he (R.M.) wants them. He intends to give or sell them, whatever, to Andrew Trispo (who's a pal of Radin's and was at Radin's wedding). Turner says OK, and enlists one BORBY MAXIM and one RICHIE MOLINA (or Malina or Melina) to do the job.

These two worked at the "old Ritx" and The Vault, and at least one is currently employed as a bouncer at the New Vault (Samerlub). Maxim was allegedly the triggerman, while Molina held another gun on Sisman/Platzman. Molina has been tentatively identified as being a purhrhaser of "black magic oils", etc. at the Magickal Childe.

At any rate, the person who acts as the go-between while Turner is in jail is his female lover at the time, one Judith Samuels (DOB 11/16/48). Samuels, interestingly enough, was employed at Columbia University, originally in the Arts/Sciences Dept. and later as a statistician. Columbia U. figures prominently in the whole SOS scenario, and has for years. Moreover, prison info from 1982 stated that an Hispanic gardener/landscaper who did part-time work at Columbia and also at Grant's Tomb, was likely involved in the Sisman hit. Whether this is Molina, or even Maxim, is not known yet, but is certainly possible.

Samuels, meanwhile, is known to MPT and Al Sheppard, and has been since 1987. Her name surfaced on the west coast, and was passed on by LA area detectives in connection with OTO, child porn, ritualistic crime, etc. She's been said to be affiliated with one Lewis Harrison, who ran/runs a weirdo operation known as "Esoteric Encounters" out of 76 Charles St. in the Village (a duck in the window; still there in 1/91) Harrison, in a newsletter, advocates S6M, blood drinking (vampirism) and necrophilia. A woman named Leilah Wendell purportedly committed suicide in a Long Island cemetery in the early 80s while under Harrison's influence. Harrison had a chauffer named Rollis Gades, who may have been murdered in the late 80s.

On Sisman again: Judith Samuels allegedly took the snuff films (five of them, or five copies of one) from Molina and Maxim and gave them to the artist R.M. She also took 2K from the artist for Turner, and 6K for Turner from the hit men as his cut of what else was removed from Sisman's brownstone (supposedly some 50K in cash and coke).

Molina is said to be currently living with a family named Peterson (Ed, Claire, Jeanine and Rhonda) at 301 W. 22 NYC. Both Molina and Maxim lived in Sisman's neighborhood at time of bit, and Sisman may have even known them by might (not personally).

No description of Maxim yet, but Molina said to be 6' tall approx. and have black hair.

MPT told Kuipers to talk to Bob Cuccione Jr., who runs Spin Mag, and tell him wherewithal to assist with investigation. Kuipers agreed to do so.

To DM: Re: Ron S. 3/1/96

---The person who provided coast cops with info. on Judy S./Lewis Harrison/porn director Carter Stevens (TN Malxcolm Ware) and the allegedly murdered chauffer of his named Rollis Gades, was an OTO member who turned, but committed suicide the last week of February, 1987. She may have a sheet in NY for all we know, but it's presumed she was living in S. California at time of death. Her name: Frances Elaine Romman. (That's the spelling I got.)

--- The Pleasantville # of 769-8442 Ron was calling is in fact the one that went to the Pleasantville High School Music room in '87. But it should be verified as to whether the number also went there in 1981 via case file. This somehow may tie to Peter Robins from Walkeria (273-8836) that Ron was calling then. Maybe he's the teacher. Don't know. It could even be that Howard Hausman in Croton at the 271-5210 # that was also used by Lazner, in addition to Lazner's 271-4345. Now, in '87 the Robins # of 273-8836 came back to "North American Communications---supplier to the direct mail industry." Whether Robins moved and the number was reassigned, or if the N. Amerdian Comm. company had something to do w/Robins is not known. But it's worth remembering that Valhalla (Robins PO Box there) is a spot where cult meetings occurred for years around the Kensico Dam, and Vinny wrote of a "girl from Valhalla" who stumbled into a cult meeting, was drugged, raped, and committed suicide a month later.

--- It remains of importance to see if that JD on E. Pifth St. is or was JPD or JPD, Jr. It could have been a crash/sex pad in the city for either, for all we know. If so, it's a smoking gun tie.

--- Also important re: Ron, Joe M., Jeff Adams and security links. Harold Stern's Rector International in Mt. Vernon could even fit in here, as could JPD Jrs.' "Advanced Alarm" business. Another potential smoking gun tie.

---In addition to Jeff A., we also appear to have Dan Carr and a "Chio" in common in both the Condor and Ron matters. Now, if D. Chio (Ron case) and "Jay Chio" (Condor) are the same person or brothers/cousins, it's huge tie. Recall also that D. Chio lived near Ron and admitted owing him cash for coke. IF he's related to Jay, or if he is Jay: he could have motive to leak Ron's "plan."

---We also have that photographer from the Canadian video game promo party who knew Condor and whose name, per my file, was:
Mak\_\_\_. That's per BLG. The public relations person, whose name may be in my file, may know that photog. It may be coincidence and not Bobby at all. If you'll recall BLG didn't recognize it as "Maxim" in a '91 letter. But we don't know.

---Reminder: RR allegedly (per NY Post) the subject of a 1980 Fed drug (coke) smuggling probe. Don't know if S. District or LI.
