Keith Chianfanga (15)
_____ Reynolds (dad a Yks. det.)

Timmy Hogg caught, forced to watch dog cutting; August 1986, around twilight. Probably August 15; kid taken to St. John's for shock, etc.

Other witnesses to different aspects:

Cult seen at night by:

1. Andy Hogg
2. Steve Sirini
3. Reynolds kid saw cars driving onto aqueduct

Dogs found:

1. Stosh Hogg
2. Keith
3. Reynolds
4. Children of Sonja Russler (family now in Vt.) Saw cult, too? Maybe.
5. Keith's mother saw goats' bodies (2) in plastic bags on Warburton behind Untermyer. This occurred circa August 1985.

Timmy Hogg had a run-in several years ago up there. One guy a blonde. This time, he's on bike. They call "Hey, Hogg", catch him, cut up dog. Kid hysterical. Report to cops. Cops show mug shots. Timmy not sure which guy. There were four of them. Cops say they'll investigate on assault; not on dog. Dogs put in Hefty bags (as per SOS); puppy carrier..

Over last 4 years (since 82), 50-60 animals found; dogs, some cats; even a couple of goats. Photos in hand. Cops called 6-7 times. Cops took pictures, too. "Guy with wig", a cop and a female uniform there. "Wig guy" an "evidence guy", apparently not McCabe.

Suspects: Danny Charlton and brother Brian. Danny now "away", perhaps jail, according to Fr. Foley.

Possibles: John Lena (sp?); Mike Varian (these first names from graffiti on house and on entrance to aque. Paul Emmon).

Jimmy Clifford: Blonde, was in S. Heart yearbook. May be the blonde guy.

Chris Beneditti

Brian Beneditti Said to be friends of Clifford; possible suspects

License plate belonging to Alan Sweeney, DOB 1944, of Chase Ave. Blonde guy, maybe the guy and kid with glasses in this car. Other kid driving. Car was by entrance (Bway) to Untermyer. Maybe relevant, maybe not.

Sources say most kids from S. Heart/Roosevelt; not Gorton.

(more)

Untermeyer (2)

Cult spotted by Andy Hogg and Steve Sirini. They saw car going in and followed on foot; car was gone, but observed 40-50 people with candles in house. Heard chanting, "backwards" (Latin, probably). Couldn't tell at night and from distance if costumes were worn. Saw the candles and could tell people were holding them. Single file entrance from both sides of house into center.

Plastic bags found on east side of Warburton, south of Odell, past Harriman Ave., stretch of woods there on east side; aqueduct above. Look for plastic bags in this area.

Timmy Hogg incident was in mid August, probably the 15th, Assumption, "Definitely a Friday night in mid August"... Assumption was that night.

Hogg puppies stolen; found hanging.

Guys in Timmy incident said they'd kill him if the cops got involved.

Animals found as long ago as 79. Then picked up about 4 yrs ago. Hoggs living there eight years, since 78.

Elderly guy down Odell (Pete) who keeps dogs may have had some missing. But not sure.
