Re: David Berkowitz

Dear Sir:

Pursuing my earlier correspondence concerning my ward's property in the possession of the New York City Police Department, I have had calls from various assistants in the office of each of the District Attorneys involved and they have described to me that there have been meetings among your several officers. Apparently, no decision has been arrived at.

This matter has been going on for over two months and I must bring it to a conclusion. Unless I am promptly advised that an arrangement has been made for the delivery of the personal effects and automobile to me, I will seek the aid of the Court.

Sincerely yours,

*Doris Johns*
